SURVIVING COMPANION PET ADVANCE PLANNING

In 1966, a small group of local residents who understood the worth and value of companion pets began a fledgling non-profit that has now grown into a vibrant, active animal welfare organization. This tradition is continued today with volunteers, supporters, board members, and staff who are committed to the health and well-being of the beautiful creatures we love—and who love us back.

With a state-of-the-art Shelter facility, two thrift shops, and alliances statewide, the Humane Society of Sedona saves and nurtures hundreds of cats and dogs every year. These precious souls come to us for many reasons, including one of the most heartbreaking of all—a pet parent who has passed away. Sadly, many people do not plan for that day, or they believe a family or friend will welcome the pet as their own when it

turns out that isn't possible.

With Surviving Companion Pet Advance Planning, you have the security of knowing that immediate provisions will be made for your beloved cat or dog, after you are gone.

How Do I Begin? Contact us and a member of the team will be pleased to meet with you.

What Will I Need? We ask the pet parents to provide important information about each pet—like name, age, gender, breed, and personal preferences.

What Is the Cost? We ask pet owners to make an investment in the Shelter — naming the Humane Society of Sedona in your Estate Plan of \$12,500 or greater, or an outright gift of \$12,500 at the time of completing the documents.

It's never too early to plan for the ones we love.

Protecting Your Pet for the Future

Have Peace of Mind – Our

compassionate and qualified team will make sure your treasured pet receives affection, comfort, and care until matched with that just-right person or family for adoption. It's never too early to plan for the future. **Call Now!**
